

Thursday, November 13, 2008

Dear Mr. Craig Tarbet,

On behalf of the American Cancer Society we wish to sincerely thank you for your generous contribution to the Survivor Duck team for our Making Strides Against Breast Cancer event. The Survivor Duck team that you supported, raised \$4,809 for the American Cancer Society.

Making Strides Against Breast Cancer is the American Cancer Society's premier event to raise awareness and funds to fight breast cancer. But it's more than just the name of a walk – it describes the amazing progress we're making together to defeat this disease. Since 1993, 4 million walkers have raised more than \$280 million through Making Strides. In 2007 alone, nearly 500,000 walkers across the country collected more than \$50 million to help fight breast cancer.

Making Strides is an opportunity to honor breast cancer survivors, educate women about breast cancer prevention and early detection, and raise funds and awareness to help achieve a day when no one will have to hear the words "You have breast cancer." The majority of Making Strides events take place during Breast Cancer Awareness Month in October.

The American Cancer Society has a presence in more than 3,400 communities across the country and is the only organization available 24 hours a day, seven days a week to help people touched by cancer. Breast cancer is the number one reason people call the Society. When you support Making Strides, you are helping the Society seek better ways to prevent, detect, and treat breast cancer, as well as provide help and hope.

This year was very exciting for Eagle, because it was the creation of the first Making Strides Against Breast Cancer event in Idaho. Thank you for supporting The American Cancer Society.

Sincerely,

Tracy Bryan
